

MEMORANDUM FOR: Deputy Director for Intelligence

SUBJECT: Terms of Reference for Guided Missile
Intelligence Committee (GMIC) of the IAC

ATTACHMENT: Recommended Terms of Reference for GMIC

1. The Attachment has been drafted per your desires, and it generally parallels the language of the Terms of Reference for the Joint Atomic Energy Intelligence Committee (JAEIC), adopted by IAC on 20 December 1955.

2. For your information, the following specific differences exist between the Attachment and the JAEIC paper:

- a. The words "atomic energy" have been replaced in all instances by "guided missile".
- b. The footnote defining atomic energy intelligence has been deleted.
- c. In paragraph 1, second line - the word "maintain" has been replaced with "strengthen".
- d. In paragraph 1. f., second line - the word "scientific" has been deleted.
- e. Paragraph 1. h. has been added to define a responsibility with which GMIC should be charged.
- f. In paragraph 2, verbiage has been added concerning membership of NSA.
